OUR STORY

We're Paul and Lindsay Melbourne, we set up Get Wurst to bring you the best of Berlin street food. We have had many an amazing trip to Berlin, eating currywurst on the streets into the early hours! We were outraged that we couldn't get currywurst in the UK, except for at a Christmas market, when it usually isn't done very well! So we set out to bring this seriously tasty street food to Sheffield, and all over the country at festivals and events!

Nothing goes better with a bratwurst than a seriously good beer, so we're pleased to call Two Thirds Beer Co. our home where you can pair our food with a great beer, seven days a week!
